## Capabilities Statement

Summit Healthcare Solutions, LLC specializes in delivering comprehensive healthcare services to the Federal Government. Providing first in class occupational healthcare services, onsite medical support, project management, and healthcare consultation. Summit Healthcare Solutions is a woman & minority-owned small business founded and operated by experienced medical professionals.

### Core Competencies

- **Onsite Healthcare Support** - Our dynamic medical team of dedicated healthcare professionals are experienced and trained to provide clinical excellence.
- **Occupational Health Services** – Leading the industry with a focus on health, wellness, accident prevention, fostering a safe and healthy work environment for your employees.
- **Healthcare Consulting and Project Management** – Specialized in developing and implementing delivery strategies to ensure client success.

### Past Performance

- Managing occupational health clinics as a subcontractor for Federal agencies.
- Professional healthcare staff augmentation as a subcontractor for Federal and State agencies.
- Providing healthcare services at client’s worksite.
- Delivering project management and expert medical consultation services.

### Featured Clients Supporting Government Contracts

- SLSCO, LTD
- Acuity International
- AMI

### Differentiators

- **Expertise and Credibility** - Summit Healthcare Solutions is founded and managed by experienced medical professionals. Offering years of expert-driven outcomes working within the government contracting industry.
- **Accessibility and Convenience** - We make ourselves readily available to our clients 24/7.
- **Competitive Advantage** – Our organization is lean and our cost of doing business is reduced due to our decreased overhead and general administrative cost. As a result, we are agile and able to adapt quickly to project requirements.
